Dear Kindergarten Parents:

The Pennsylvania School Health Regulations require that children in Kindergarten receive a dental examination. The State is suggesting that the parents or guardians of the children have the examination done by their family dentist. The report your dentist is to use for the examination is presented below.

In order to have your child's records complete, we must have this form returned to school as soon as possible.

Thank you for your cooperation.

Sincerely,  
Barbara, Sharon & Phyllis
